

**VIRGINIA ANIMAL SHELTERS JOIN TOGETHER
FOR THE “MIDNIGHT MADNESS
ADOPT-A-THON” May 21st**

Shelters across Virginia will host the fourth annual “Midnight Madness Adopt-a-Thon” for homeless shelter animals. The purpose of this event is to find as many homes as possible for homeless animals across the Commonwealth. Shelter staff and volunteers will have the Regional Animal Shelter in King William open from 11:00 a.m. until midnight on Saturday, May 21, 2011.

There are many benefits to adopting a pet from the Regional Animal Shelter, where they have received great care including vaccinations and treatment for parasites. Our local veterinarians provide a free health physical, and discount the cost of spay/neuter and rabies vaccination for Shelter pets. You will receive a free bag of Science Diet pet food and coupons, as well as extensive pet care and training information. By adopting from your local Shelter, you will support our community by saving a local life.

This pet adoption event is on the same day as “Spring Fest” which is held in King William at the Hamilton Holmes Middle School. Families can easily plan to visit both events, which are in the courthouse area, without using the extra gas!

Refreshments and snacks will be offered throughout the evening.

**So if you are looking for a new best friend, come join the MADNESS.
Until there are none – Adopt one!**
