- **Park Report**
  - Nothing to report at this time
- **Community Center Report**
  - Field and Parking Updates- working on getting fence quotes- metal has really gone up in price, which has made this challenging. However, we are working hard to figure out a way to get it done before Spring Soccer begins.
- **KWLL-Registration numbers have picked up** Little League will be doing a little work on the fields. Troy said the man gave him a quote of \$4200.00 for field 4. This would include cutting the grass out and using the dirt to move around and grade it out. They have another registration this weekend. KWLL got selected to hold an all star tournament. Veda asked do you have the Challenger League- Troy Simons answered yes and they are working with a teacher in King & Queen that has been a great resource. Troy said the kids really enjoy the Challenger League.
- **KW Raiders-** Corey Cosby-president Jennifer Tupponce- Vice President Big discussion coming up about whether they will stay in the same league. The one that we are looking at may allow our kids/parents not to have to travel as far. Typically, we open registration around April. Veda asked if we could add Raider's information to county page. Mr. Ashcraft answered yes.
- **West Point YMCA-**No one present this time.
- **New Business-**Veda announced the blueprint is on the county page. It will show us the direction the county will be going. Veda made a copy of the Recreation piece so that

they can go over it and then discuss it at another meeting in case they have questions/thoughts/suggestions. Mr. Ashcroft will be adding maps of King William to the county website so that everyone will be able to see them.

- **Recreation Commission Comments**-Stewart said the lady from Mah Jongg was very appreciative of our help here at Parks and Rec. She had reached out to Tammy to tell her how appreciative she was that we were able to order the cards for them.
