### **EDMUNDS ONLINE**

Soon our online system, {CPSS} Construction Permit Self-Service--Customer portal live, will allow for web request for inspections as well as call in to our automatic system. To prepare for the upcoming changes the time for requesting “same day” inspections will change from 9:00 am to 8:00 am. **July 12, 2021, this change will take effect.** Please plan your inspections accordingly.

Visit our web page to see all the new code changes for the upcoming 2022 year. 2018 USBC codes changes have taken effect statewide as of July 1, 2021. King William County Building Department will begin to enforce the 2018 USBC on January 3, 2022.
